SSEYO™ Koan™ Plus   V1.0

'Koan Plus' is a revolutionary and trendsetting new musical addition to your desktop, allowing you to play everchanging mood music and record it to a MIDI file.

> Did you buy a sound card and then hardly ever use it?
> Do you want to relax and chill out occasionally?
> Are you worried about copyright when you use music?
> Do you want to hear where the future of music could lie?

Everchanging Ambient mood music is now possible on YOUR own PC - your PC need never sound the same again!

Main Control module

Player module

Album and Piece Notes Viewer module

MIDI Channel/ Note Spectrum module

Included:

Koan Plus software, 10 Koan pieces and 10 MIDI files, provided on a 3.5" HD floppy disk.

10 studio mastered mood music tracks, recorded whilst saving the Koan pieces output to the MIDI files above, provided on audio CD - plus a free bonus audio track.

What does Koan Plus do on your PC?

Koan Plus generates always changing ambient music* that has the power to help create the moods you want in your environment.

As the Koan **Music Engine** composes its music in real time, whenever it plays it will be different - a real musical kaleidoscope; pieces can even include pre-set 'seed' melodies.

Why not try out Koan Plus for yourself? Just turn it on, then sit back and marvel.
