

Niskala contains 27 original Koan pieces of an ambient nature and the SSEYO Koan Web Platinum Music Player software, plus 13 specially mixed audio recordings of selected pieces. Each Koan piece in Niskala has been specially written to take advantage of the palette of sounds available in the Creative Labs AWE32/AWE64/SB32/SB64 soundcards.

KoanMusic

A new genre of music where Koan pieces - a special set of 'instructions' - are interpreted by SSEYO Koan software to create ever-changing music on your PC. Award winning KoanMusic is often described as 'generative'. KoanMusic can range from drum 'n' bass dance to chillout ambient, depending on how Koan artists construct their pieces.
